McKenzie Avenue and Highway 1 construction closures

SAANICH – Between June 12 and 16, travellers are advised of overnight closures, detours and delays on McKenzie Avenue and Highway 1 as part of the McKenzie interchange construction.

The following closures will allow crews to install the Galloping Goose Trail bridge over McKenzie Avenue and the temporary pedestrian/cyclist bridge over Highway 1:

- Monday, June 12, from 11 p.m. to Tuesday, June 13, at 5:30 a.m. McKenzie Avenue will be closed between Burnside Road W and Highway 1.
- Tuesday, June 13, from 11 p.m. to Wednesday, June 14, at 5:30 a.m. McKenzie Avenue will be closed between Burnside Road W and Highway 1.
- Friday, June 16, from midnight to 5:30 a.m. Highway 1 will be closed between McKenzie Avenue/Admirals Road and the Helmcken interchange.

Every effort will be made to open these routes as quickly as possible, as soon as it is safe for both the construction crews and the travelling public. The work schedule may change due to weather and other conditions.

All travellers including drivers, cyclists and pedestrians are advised to plan alternative routes and to allow for extra time. Please also obey traffic control personnel and construction speed limits, and watch for workers and highway message boards. For up-to-date traffic advisories, visit: <http://www.drivebc.ca/>
